Re: FY 2022 Edward Byrne Memorial Justice Assistance Grant Agreement

The St. Clair County Sheriff's Office has been awarded the FY 2022 Edward Byrne Memorial Justice Assistance Grant that was recently made available through the Bureau of Justice Assistance.

This grant has been awarded annually to St. Clair County in the past. The amount that St. Clair County has received in prior years ranged from \$11,000 to \$26,000 for new equipment for the department.

The Sheriff's Office plans on using these funds to purchase a Leica GS207 GNSS smart antenna device for crime scene documentation.

The amount that St. Clair County has been awarded is \$15,035 and is all Federal Funds with no local match money required. The projected cost of the device is \$15,919. The Sheriff's Department plans to apply \$15,035 in grant funds toward purchase, with remaining \$884 coming from Road Patrol budget.

We recommended approving the grant agreement at the October 20, 2022 BOC meeting.

✓ Award Letter

September 23, 2022

Dear Karry Hepting,

On behalf of Attorney General Merrick B. Garland, it is my pleasure to inform you the Office of Justice Programs (OJP) has approved the application submitted by ST CLAIR, COUNTY OF for an award under the funding opportunity entitled 2022 BJA FY 22 Edward Byrne Memorial Justice Assistance Grant Program - Local Solicitation. The approved award amount is \$15,035.

Review the Award Instrument below carefully and familiarize yourself with all conditions and requirements before accepting your award. The Award Instrument includes the Award Offer (Award Information, Project Information, Financial Information, and Award Conditions) and Award Acceptance. For COPS Office and OVW funding the Award Offer also includes any Other Award Documents.

Please note that award requirements include not only the conditions and limitations set forth in the Award Offer, but also compliance with assurances and certifications that relate to conduct during the period of performance for the award. These requirements encompass financial, administrative, and programmatic matters, as well as other important matters (e.g., specific restrictions on use of funds). Therefore, all key staff should receive the award conditions, the assurances and certifications, and the application as approved by OJP, so that they understand the award requirements. Information on all pertinent award requirements also must be provided to any subrecipient of the award.

Should you accept the award and then fail to comply with an award requirement, DOJ will pursue appropriate remedies for non-compliance, which may include termination of the award and/or a requirement to repay award funds.

Prior to accepting the award, your Entity Administrator must assign a Financial Manager, Grant Award Administrator, and Authorized Representative(s) in the Justice Grants System (JustGrants). The Entity Administrator will need to ensure the assigned Authorized Representative(s) is current and has the legal authority to accept awards and bind the entity to the award terms and conditions. To accept the award, the Authorized Representative(s) must accept all parts of the Award Offer in the Justice Grants System (JustGrants), including by executing the required declaration and certification, within 45 days from the award date.

To access your funds, you will need to enroll in the Automated Standard Application for Payments (ASAP) system, if you haven't already completed the enrollment process in ASAP. The Entity Administrator should have already received an email from ASAP to initiate this process.

Congratulations, and we look forward to working with you.

Maureen Henneberg
Deputy Assistant Attorney General

Office for Civil Rights Notice for All Recipients

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Section 504 of the

Rehabilitation Act of 1973, require recipients of federal financial assistance to give assurances that they will comply with those laws. Taken together, these civil rights laws prohibit recipients of federal financial assistance from DOJ from discriminating in services and employment because of race, color, national origin, religion, disability, sex, and, for grants authorized under the Violence Against Women Act, sexual orientation and gender identity. Recipients are also prohibited from discriminating in services because of age. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>.

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a nondiscriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEO requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(c)(5).

The OCR is available to help you and your organization meet the civil rights requirements that are associated with DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to contact the OCR at askOCR@ojp.usdoj.gov.

NEPA Letter

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

- a. New construction;
- b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and

e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see <https://www.bja.gov/Funding/nepa.html>.

Financial Information

This award is offered subject to the conditions or limitations set forth in the Award Information, Project Information, Financial Information, and Award Conditions.

I have read and understand the information presented in this section of the Federal Award Instrument.

✓ Award Conditions

This award is offered subject to the conditions or limitations set forth in the Award Information, Project Information, Financial Information, and Award Conditions.

Compliance with general appropriations-law restrictions on the use of federal funds (FY 2022)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2022, are set out at <https://www.ojp.gov/funding/Explore/FY22AppropriationsRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2022 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2022 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2022 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://www.ojp.gov/funding/implement/training-guiding-principles-grantees-and-subgrantees>.

Required training for Grant Award Administrator and Financial Manager

The Grant Award Administrator and all Financial Managers for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after October 15, 2020, will satisfy this condition.

In the event that either the Grant Award Administrator or a Financial Manager for this award changes during the period of performance, the new Grant Award Administrator or Financial Manager must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after the date the Entity Administrator enters updated Grant Award Administrator or Financial Manager information in JustGrants. Successful completion of such a training on or after January 1, 2020, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

10

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

11

Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

12

Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

13

Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

14

Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

 15**Determination of suitability to interact with participating minors**

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ)(or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

 16**Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ**

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

 17**Compliance with DOJ Grants Financial Guide**

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

 18**Encouragement of policies to ban text messaging while driving**

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

 19**Potential imposition of additional requirements**

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding

agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

20

Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

21

Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to

or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

22

Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

23

All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

24

Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

25

Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that

otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26

Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

27

Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

28

Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

29

Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

30

FFATA reporting: Subawards and executive compensation

The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

31

The recipient agrees to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by BJA and OCFO for providing the requested documents. Failure to cooperate with BJA's/OCFO's grant monitoring activities may result in sanctions affecting the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to grant funds; referral to the Office of the Inspector General for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

32

Required monitoring of subawards

The recipient must monitor subawards under this award in accordance with all applicable statutes, regulations, award conditions, and the DOJ Grants Financial Guide, and must include the applicable conditions of this award in any subaward. Among other things, the recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of award funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.

33

Use of program income

Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.

34

Justice Information Sharing

Information sharing projects funded under this award must comply with DOJ's Global Justice Information Sharing Initiative (Global) guidelines. The recipient (and any subrecipient at any tier) must conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: https://it.ojp.gov/gsp_grantcondition. The recipient (and any subrecipient at any tier) must document planned approaches to information sharing and describe compliance with the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.

35

Avoidance of duplication of networks

To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the recipient can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

36

Compliance with 28 C.F.R. Part 23

With respect to any information technology system funded or supported by funds under this award, the recipient (and any subrecipient at any tier) must comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 34 U.S.C. 10231(c)-(d). The recipient may not satisfy such a fine with federal funds.

37

Protection of human research subjects

The recipient (and any subrecipient at any tier) must comply with the requirements of 28 C.F.R. Part 46 and all OJP policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.

38

Confidentiality of data

The recipient (and any subrecipient at any tier) must comply with all confidentiality requirements of 34 U.S.C. 10231 and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. The recipient further agrees, as a condition of award approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, 28 C.F.R. 22.23.

 39

The award recipient agrees to participate in a data collection process measuring program outputs and outcomes. The data elements for this process will be outlined by the Office of Justice Programs.

 40

The recipient agrees to cooperate with any assessments, national evaluation efforts, or information or data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within this project.

 41

Law enforcement task forces - required training

Within 120 days of award acceptance, each current member of a law enforcement task force funded with award funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, must complete required online (internet-based) task force training. Additionally, all future task force members must complete this training once during the period of performance for this award, or once every four years if multiple OJP awards include this requirement.

The required training is available free of charge online through the BJA-funded Center for Task Force Integrity and Leadership (www.ctfli.org). The training addresses task force effectiveness, as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. If award funds are used to support a task force, the recipient must compile and maintain a task force personnel roster, along with course completion certificates.

Additional information regarding the training is available through BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).

 42

Justification of consultant rate

Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the OJP program office prior to obligation or expenditure of such funds.

 43

The recipient understands that, in accepting this award, the Authorized Representative declares and certifies, among other things, that he or she possesses the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accepts (or adopts) all material requirements that relate to conduct throughout the period of performance under this award. The recipient further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.

 44

Compliance with National Environmental Policy Act and related statutes

Upon request, the recipient (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA.

The recipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. The activities covered by this condition are:

a. New construction;

b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and

e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The recipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The recipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://bja.gov/Funding/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Condition to Recipient's Existing Programs or Activities: For any of the recipient's or its subrecipients' existing programs or activities that will be funded by these award funds, the recipient, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

45

Establishment of trust fund

If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish a trust fund account. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The trust fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the award funds in the trust fund (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.

46

All State and Local JAG recipients must submit quarterly Federal Financial Reports (SF-425). Additionally, State JAG and Local JAG Category Two (\$25K or more) must submit semi-annual performance reports through JustGrants and Local JAG Category One (Less than \$25K) must submit annual performance reports through JustGrants. Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, the recipient must provide data that measure the results of its work. The recipient must submit quarterly performance metrics reports through BJA's Performance Measurement Tool (PMT) website (www.bjaperformancetools.org). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.

 47**Required data on law enforcement agency training**

Any law enforcement agency receiving direct or sub-awarded funding from this JAG award must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

 48**Expenditures prohibited without waiver**

No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.

 49**Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after October 1, 2021**

The recipient may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (October 1, 2021), however, the recipient may choose to incur project costs using non-federal funds, but any such project costs are incurred at the recipient's risk until, at a minimum-- (1) the recipient makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by OJP (via an Award Condition Modification (ACM)). (A withholding condition is a condition in the award document that precludes the recipient from obligating, expending, or drawing down all or a portion of the award funds until the condition is removed.)

Except to the extent (if any) that an award condition expressly precludes reimbursement of project costs incurred "at-risk," if and when the recipient makes a valid acceptance of this award and OJP removes each applicable withholding condition through an Award Condition Modification (ACM), the recipient is authorized to obligate (federal) award funds to reimburse itself for project costs incurred "at-risk" earlier during the period of performance (such as project costs incurred prior to award acceptance or prior to removal of an applicable withholding condition), provided that those project costs otherwise are allowable costs under the award.

 50

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS. No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA. Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS. Booking agencies should work with their state CODIS agency to ensure all requirements are met for participation in Rapid DNA (see National Rapid DNA Booking Operational Procedures Manual).

A. Publication Rights

1. Copyright materials only when the Grantee exclusively develops books, films or other such copyrightable materials through activities supported by this Agreement. The copyrighted materials cannot include recipient information or personal identification data. Grantee provides the Department a royalty-free, non-exclusive and irrevocable license to reproduce, publish and use such materials copyrighted by the Grantee and authorizes others to reproduce and use such materials.
2. Obtain prior written authorization from the Department's Office of Communications for any materials copyrighted by the Grantee or modifications bearing acknowledgment of the Department's name prior to reproduction and use of such materials. The state of Michigan may modify the material copyrighted by the Grantee and may combine it with other copyrightable intellectual property to form a derivative work. The state of Michigan will own and hold all copyright and other intellectual property rights in any such derivative work, excluding any rights or interest granted in this Agreement to the Grantee. If the Grantee ceases to conduct business for any reason or ceases to support the copyrightable materials developed under this Agreement, the state of Michigan has the right to convert its licenses into transferable licenses to the extent consistent with any applicable obligations the Grantee has.

The Grantee must submit an annual report for all copyrighted materials developed by the Grantee through activities supported by this Agreement and must submit a final invention statement and certification within 60 days of the end of the Agreement period.
5. Not make any media releases related to this Agreement, without prior written authorization from the Department's Office of Communications.

If funding is received through any other source, the Grantee agrees to budget the additional source of funds and reflect the source of funding on the Financial Status Report.
2. Make reasonable efforts to collect 1st and 3rd party fees, where applicable, and report those collections on the Financial Status Report. Any under recoveries of otherwise available fees resulting from failure to bill for eligible activities will be excluded from reimbursable expenditures.

C. Grant Program Operation

Provide the necessary administrative, professional and technical staff for operation of the grant program. The Grantee must obtain and maintain all necessary licenses, permits or other authorizations necessary for the performance of this Agreement.

Use an accounting system that can identify and account for the funds received from each separate grant, regardless of funding source, and assure that grant funds are not commingled.

D. Reporting

Utilize all report forms and reporting formats required by the Department at the start date of this Agreement and provide the Department with timely review and commentary on any new report forms and reporting formats proposed for issuance thereafter.

E. Record Maintenance/Retention

1. The Grantee must not share any protected health information provided by the Department that is covered by HIPAA except as permitted or required by applicable law; or to a subcontractor as appropriate under this Agreement.
2. The Grantee will ensure that any subcontractor will have the same obligations as the Grantee not to share any protected health data and information from the Department that falls under HIPAA requirements in the terms and conditions of the subcontract.
3. The Grantee must only use the protected health data and information for the purposes of this Agreement.
4. The Grantee must have written policies and procedures addressing the use of protected health data and information that falls under the HIPAA requirements. The policies and procedures must meet all applicable federal and state requirements including the HIPAA regulations. These policies and procedures must include restricting access to the protected health data and information by the Grantee's employees.
5. The Grantee must have a policy and procedure to immediately report to the Department any suspected or confirmed unauthorized use or disclosure of protected health information that falls under the HIPAA requirements of which the Grantee becomes aware. The Grantee will work with the Department to mitigate the breach and will provide assurances to the Department of corrective actions to prevent further unauthorized uses or disclosures. The Department may demand specific corrective actions and assurances and the Grantee must provide the same to the Department.

6. Failure to comply with any of these contractual requirements may result in the termination of this Agreement in accordance with Part 2, Section V.
7. In accordance with HIPAA requirements, the Grantee is liable for any claim, loss or damage relating to unauthorized use or disclosure of protected health data and information, including without limitation the Department's costs in responding to a breach, received by the Grantee from the Department or any other source.
8. The Grantee will enter into a business associate agreement should the Department determine such an agreement is required under HIPAA.

N. Website Incorporation

The Department is not bound by any content on Grantee's website or other internet communication platforms or technologies, unless expressly incorporated directly into this Agreement. The Department is not bound by any end user license agreement or terms of use unless specifically incorporated in this Agreement or any other agreement signed by the Department. The Grantee may not refer to the Department on the Grantee's website or other internet communication platforms or technologies without the prior written approval of the Department.

O. Survival

The provisions of this Agreement that impose continuing obligations will survive the expiration or termination of this Agreement.

P. Non-Disclosure of Confidential Information

1. The Grantee agrees that it will use confidential information solely for the purpose of this Agreement. The Grantee agrees to hold all confidential information in strict confidence and not to copy, reproduce, sell, transfer or otherwise dispose of, give or disclose such confidential information to third parties other than employees, agents, or subcontractors of a party who have a need to know in connection with this Agreement or to use such confidential information for any purpose whatsoever other than the performance of this Agreement. The Grantee must take all reasonable precautions to safeguard the confidential information. These precautions must be at least as great as the precautions the Grantee takes to protect its own confidential or proprietary information.

2. Meaning of Confidential Information

For the purpose of this Agreement the term "confidential information" means all information and documentation that:

- a. Has been marked "confidential" or with words of similar meaning, at the time of disclosure by such party;
- b. If disclosed orally or not marked "confidential" or with words of similar meaning, was subsequently summarized in writing by

- the disclosing party and marked “confidential” or with words of similar meaning;
 - c. Should reasonably be recognized as confidential information of the disclosing party;
 - d. Is unpublished or not available to the general public; or
 - e. Is designated by law as confidential.
3. The term “confidential information” does not include any information or documentation that was:
- a. Subject to disclosure under the Michigan Freedom of Information Act (FOIA);
 - b. Already in the possession of the receiving party without an obligation of confidentiality;
 - c. Developed independently by the receiving party, as demonstrated by the receiving party, without violating the disclosing party’s proprietary rights;
 - d. Obtained from a source other than the disclosing party without an obligation of confidentiality; or
 - e. Publicly available when received or thereafter became publicly available (other than through an unauthorized disclosure by, through or on behalf of, the receiving party).
4. The Grantee must notify the Department within one business day after discovering any unauthorized use or disclosure of confidential information. The Grantee will cooperate with the Department in every way possible to regain possession of the confidential information and prevent further unauthorized use or disclosure.

Q. Cap on Salaries

None of the funds awarded to the Grantee through this Agreement shall be used to pay, either through a grant or other external mechanism, the salary of an individual at a rate in excess of Executive Level II. The current rates of pay for the Executive Schedule are located on the United States Office of Personnel Management web site, <http://www.opm.gov>, by navigating to Policy — Pay & Leave — Salaries & Wages. The salary rate limitation does not restrict the salary that a Grantee may pay an individual under its employment; rather, it merely limits the portion of that salary that may be paid with funds from this Agreement.

IV. Financial Requirements

A. Operating Advance

An operating advance may be requested by the Grantee to assist with program operations. The request should be addressed to the Contract Manager identified in Part 1, Section VIII. The operating advance will be administered as follows:

1. The operating advance amount requested must be reasonable in relation to factors including but not limited to program requirements, the period of the Agreement, and the financial obligation. In no case may the advance exceed the amount required for 60 days of operating expenses. Operating advances will be monitored and adjusted by the Department relative to the Agreement amount.
2. The operating advance must be recorded as an account payable liability to the Department in the Grantee's financial records. The operating advance payable liability must remain in the Grantee's financial records until fully recovered by the Department.
3. The reimbursement for actual expenditures by the Department should be used by the Grantee to replenish the operating advance used for program operations.
4. The operating advance must be returned to the Department within 30 days of the end date of this Agreement unless the Grantee has a recurring agreement with the Department. Subsequent Department agreements may not be executed if an outstanding operational advance has not been repaid.

The Department may obtain the Michigan Department of Treasury's assistance in collecting outstanding operating advances. The Department will comply with the Michigan Department of Treasury's Due Process procedures prior to forwarding claims to Treasury. Specific Due Process procedures include the following:

- a. An offer from the Department of a hearing to dispute the debt, identifying the time, place and date of such hearing.
 - b. A hearing by an impartial official.
 - c. An opportunity for the Grantee to examine the Department's associated records.
 - d. An opportunity for the Grantee to present evidence in person or in writing.
 - e. A hearing official with full authority to correct errors and decide not to forward debt to Treasury.
 - f. Grantee representation by an attorney and presentation of witnesses if necessary.
5. If the Grantee has a recurring agreement with the Department, the

Department requires an annual confirmation of the outstanding operating advance. At the end of either the Agreement period or Department's fiscal year, whichever is first, the Grantee must respond to the Department's request for confirmation of the operating advance. Failure to respond to the confirmation request may result in the Department recovering all or part of an outstanding operating advance.

B. Reimbursement Method

The Grantee will be paid for allowable expenditures incurred by the Grantee, submitted for reimbursement on the Financial Status Reports (FSRs) and approved by the Department. Reimbursement from the Department is based on the understanding that Department funds will be paid up to the total Department allocation as agreed to in the approved budget. Department funds are the first source after the application of fees and earmarked sources unless a specific local match condition exists.

C. Financial Status Report Submission

The Grantee shall electronically prepare and submit FSRs to the Department via the EGrAMS website <http://egram-mi.com/mdhhs>.

FSRs must be submitted on a monthly basis, no later than 30 days after the close of each calendar month. The monthly FSRs must reflect total actual program expenditures, up to the total agreement amount. Failure to meet financial reporting responsibilities as identified in this Agreement may result in withholding future payments.

The Grantee representative who submits the FSR is certifying to the best of their knowledge and belief that the report is true, complete and accurate and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of this Agreement. The individual submitting the FSR should be aware that any false, fictitious or fraudulent information, or the omission of any material facts, may subject them to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise.

The instructions for completing the FSR form are available on the EGrAMS website <http://egram-mi.com/mdhhs>. Send FSR questions to FSRMDHHS@michigan.gov.

D. Reimbursement Mechanism

All Grantees must register using the on-line vendor self-service site to receive all state of Michigan payments as Electronic Funds Transfers (EFT)/Direct Deposits, as mandated by MCL 18.1283a. Vendor registration information is available through the Department of Technology Management and Budget's web site: <https://www.michigan.gov/sigmavss>.

E. Final Obligations and Financial Status Reporting Requirements

1. Obligation Report

The Obligation Report, based on annual guidelines, must be submitted by the due date established by and using the format provided by the Department's Expenditures Operations Division. The Grantee must provide an estimate of unbilled expenditures for the entire Agreement period. The information on the report will be used to record the Department's year-end accounts payable and receivable for this Agreement.

2. Department-wide Payment Suspension

A temporary payment suspension is in effect on agreements during the Department's year-end closing period. The Department will notify the Grantee of the date by which FSRs should be submitted to ensure payment prior to the payment suspension period.

3. Final FSRs

Final FSRs are due 30 days following the end of the Agreement period. The final FSR must be clearly marked "Final." Final FSRs not received by the due date may result in the loss of funding requested on the Obligation Report and may result in a potential reduction in a subsequent year Agreement amount.

F. Unobligated Funds

Any unobligated balance of funds held by the Grantee at the end of the Agreement period will be returned to the Department within 30 days of the end of the Agreement or treated in accordance with instructions provided by the Department.

G. Indirect Costs

The Grantee may use an approved federal or state indirect rate in their budget calculations and financial status reporting. If the Grantee does not have an existing approved federal or state indirect rate, they may use a 10% de minimis rate in accordance with 2 CFR 200 to recover their indirect costs. Governmental Grantees with an existing cost allocation plan may budget accordingly in lieu of an indirect cost rate. Non-governmental Grantees may use a cost allocation plan only if the plan was in place prior to December 26, 2014.

V. Agreement Termination

This Agreement may be terminated without further liability or penalty to the Department for any of the following reasons:

- A. By either party by giving 30 days written notice to the other party stating the reasons for termination and the effective date.
- B. By either party with 30 days written notice upon the failure of either party to carry out the terms and conditions of this Agreement, provided the alleged defaulting party is given notice of the alleged breach and fails to cure the default within the 30-day period.
- C. Immediately if the Grantee or an official of the Grantee or an owner is convicted of any activity referenced in Part 2 Section III. D. of this Agreement during the term of this Agreement or any extension thereof.

VI. Stop Work Order

The Department may suspend any or all activities under this Agreement at any time. The Department will provide the Grantee with a written stop work order detailing the suspension. Grantee must comply with the stop work order upon receipt. The Department will not pay for activities, Grantee's incurred expenses or financial losses, or any additional compensation during a stop work period.

VII. Final Reporting Upon Termination

Should this Agreement be terminated by either party, within 30 days after the termination, the Grantee shall provide the Department with all financial, performance and other reports required as a condition of this Agreement. The Department will make payments to the Grantee for allowable reimbursable costs not covered by previous payments or other state or federal programs. The Grantee shall immediately refund to the Department any funds not authorized for use and any payments or funds advanced to the Grantee in excess of allowable reimbursable expenditures.

VIII. Severability

If any part of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, that part will be deemed deleted from this Agreement and the severed part will be replaced by agreed upon language that achieves the same or similar objectives. The remaining parts of the Agreement will continue in full force and effect.

IX. Waiver

Failure by the Department to enforce any provision of this Agreement will not constitute a waiver of the Department's right to enforce any other provision of this Agreement.

X. Amendments

Any changes to this Agreement will be valid only if made in writing and executed by all parties through an amendment to this Agreement. Any change proposed by the Grantee which would affect the Department funding of any project must be submitted in writing to the Department immediately upon determining the need for such change. The Department has sole discretion to approve or deny the amendment request. The Grantee shall, upon request of the Department and receipt of a proposed amendment, amend this Agreement.

XI. Liability

The Grantee assumes all liability to third parties, loss, or damage because of claims, demands, costs, or judgments arising out of activities, such as but not limited to direct activity delivery, to be carried out by the Grantee in the performance of this Agreement, under the following conditions:

- A. The liability, loss, or damage is caused by, or arises out of, the actions of or failure to act on the part of the Grantee, any of its subcontractors, or anyone directly or indirectly employed by the Grantee.
- B. Nothing herein shall be construed as a waiver of any governmental immunity that has been provided to the Grantee or its employees by statute or court decisions.

The Department is not liable for consequential, incidental, indirect or special damages, regardless of the nature of the action.

XII. State of Michigan Agreement

This is a state of Michigan Agreement and must be exclusively governed by the laws and construed by the laws of Michigan, excluding Michigan's choice-of-law principle. All claims related to or arising out of this Agreement, or its breach, whether sounding in contract, tort, or otherwise, must likewise be governed exclusively by the laws of Michigan, excluding Michigan's choice-of-law principles. Any dispute because of this Agreement shall be resolved in the state of Michigan.

State of Michigan FY 2022 Emergency Management Performance Grant Grant Agreement

October 1, 2021 to September 30, 2022

Assistance Listing: 97.042 Grant Number: EMC-2022-EP-00001

This Fiscal Year (FY) 2022 Emergency Management Performance Grant (EMPG) grant agreement is hereby entered into between the Michigan Department of State Police, Emergency Management and Homeland Security Division (hereinafter called the Recipient), and the

COUNTY OF ST. CLAIR
(hereinafter called the Subrecipient)

I. Purpose

The purpose of this grant agreement is to provide federal pass-through funds to the Subrecipient for the development and maintenance of an emergency management program capable of protecting life, property, and vital infrastructure in times of disaster or emergency.

The FY 2022 EMPG program plays an important role in the implementation of the National Preparedness System (NPS) by supporting the building, sustainment, and delivery of core capabilities essential to achieving the National Preparedness Goal of a secure and resilient Nation. The objective of the NPS is to facilitate an integrated, all-of-nation/whole community, risk driven, capabilities-based approach to preparedness.

In support of the National Preparedness Goal, the FY 2022 EMPG supports a comprehensive, all-hazard emergency preparedness system to build and sustain core capabilities across the Prevention, Protection, Mitigation, Response, and Recovery mission areas.

For more information on the NPS, federally designated priorities, and the FY 2022 EMPG objectives, as well as guidance on allowable costs and program activities, please refer to the FY 2022 EMPG Notice of Funding Opportunity (NOFO) and the FEMA Preparedness Grants Manual located at <https://www.fema.gov/grants>.

II. Statutory Authority

Funding for the FY 2022 EMPG is authorized by Section 662 of the *Post-Katrina Emergency Management Reform Act of 2006* (PKEMRA), as amended, (Pub. L. No. 109-295) (6 U.S.C. § 762); the *Robert T. Stafford Disaster Relief and Emergency Assistance Act*, as amended (Pub. L. No. 93-288) (42 U.S.C. §§ 5121 et seq.); the *Earthquake Hazards Reduction Act of 1977*, as amended (Pub. L. Appropriation authority is provided by the *Department of Homeland Security Appropriations Act, 2022*, (Pub. L. No. 117-103); *Disaster Relief Supplemental Appropriations Act, 2022*, Pub. L. No. 117-43 (2021).

The Subrecipient agrees to comply with all FY 2022 EMPG program requirements in accordance with the FY 2022 EMPG NOFO, and the FEMA Preparedness Grants Manual; both are located at <https://www.fema.gov/grants/preparedness/emergency-management-performance>; the *Michigan Emergency Management Act* of 1976, as amended (Public Act 390) at <http://www.legislature.mi.gov/doc.aspx?mcl-Act-390-of-1976>; and the *Robert T. Stafford Disaster Relief and Emergency Assistance Act*, as amended (Pub. L. No. 93-288) (42 U.S.C. §§ 5121 et seq.) located at <https://www.fema.gov/disaster/stafford-act>; and the *FY 2022 EMPG Agreement Articles Applicable to Subrecipients*. The *FY 2022 EMPG Agreement Articles Applicable to Subrecipients* document is included for reference in the grant agreement packet.

The Subrecipient shall also comply with the most recent version of:

- A. 2 CFR, Part 200 of the Code of Federal Regulations (CFR), *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* located at <http://www.ecfr.gov>.
- B. FEMA Policy #108-023-1 *Grant Programs Directorate Environmental Planning and Historic Preservation Policy Guidance*.

III. Award Amount and Restrictions

- A. The **County of St. Clair** is awarded **\$43,890.00** or 40.29% of the Subrecipients local emergency manager's salary and fringe benefits under the **FY 2022 EMPG**. The Subrecipient may receive less than the allocated amount if the Subrecipient's cost share (match) of wages and fringe benefits paid to the local emergency manager are less than the total allocation. The Subrecipient's EMPG program budget must be documented on the Local Budget for Emergency Management Performance Grant form (EMD-17).
- B. The FY 2022 EMPG covers eligible costs from October 1, 2021, to September 30, 2022. The funds awarded in the grant agreement shall only be used to cover allowable costs that are incurred during the agreement period. Grant funds shall not be used for other purposes. For guidance on allowable costs, please refer to the EMPG Appendix in the FEMA Preparedness Grants Manual.
- C. This grant agreement designates EMPG funds for the administration and oversight of an approved emergency management program. **The Subrecipient may utilize grant funds for the reimbursement of salary, overtime, compensatory time off, and associated fringe benefits for the local emergency manager, and up to 5% of the total allocation may be utilized for other allowable organization costs.** No other expenditures are allowed. If other organization costs are requested, a narrative must be submitted detailing the expenses that are included in these costs.
- D. The FY 2022 EMPG program has a 50% cost share (cash or in-kind) requirement, as authorized by the *Robert T. Stafford Disaster Relief and Emergency Assistance Act*, as amended, (Pub. L. No. 93-288) (42 U.S.C. §§ 5121 et seq.), specifically, Title VI, sections 611(j) and 613. Federal funds cannot exceed 50% of eligible costs. Unless otherwise authorized by law, federal funds cannot be matched with other federal funds.

The Federal Emergency Management Agency (FEMA) administers cost sharing requirements in accordance with 2 CFR § 200.306. To meet matching requirements, the Subrecipient contributions must be reasonable, allowable, allocable, and necessary under the grant program and must comply with all federal requirements and regulations.

See the FY 2022 EMPG NOFO and FEMA Preparedness Grants Manual for additional cost share guidance, definitions, basic guidelines, and governing provisions.

- E. All EMPG funded personnel must complete either the Independent Study courses identified in the Professional Development Series, or the National Emergency Management Basic Academy delivered either by the Emergency Management Institute or a sponsored state, local, tribal, territorial, regional, or other designated location and record proof of completion. All EMPG funded personnel must also participate in exercises consistent with the requirements outlined in the EMPG Guidebook and work agreement.

The EMPG programs are required to complete a quarterly training and exercise report identifying training and exercises completed during the quarter. Guidance for accomplishing these requirements is provided by the Recipient.

- F. Upon request, the Subrecipient must provide to the Recipient information necessary to meet any state or federal subaward reporting requirements.
- G. In the event that the U.S. Department of Homeland Security (DHS) determines that changes are necessary to the award document after an award has been made, including but not limited to, changes to period of performance or terms and conditions, Subrecipients will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate Subrecipient acceptance of the changes to the award.

IV. Responsibilities of the Subrecipient

- A. **Grant funds must supplement, not supplant, state or local funds.** Federal funds must be used to supplement existing funds, not replace (supplant) funds that have been appropriated for the same purpose. Potential supplanting will be carefully reviewed in subsequent monitoring reviews and audits. Subrecipients may be required to supply documentation certifying that a reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.
- B. The Subrecipient agrees to comply with all applicable federal and state regulations; the FY 2022 EMPG NOFO; the FEMA Preparedness Grants Manual Version 2; the *Agreement Articles Applicable to Subrecipients: Fiscal Year 2022 Emergency Management Performance Grants*, included with the grant agreement package for reference; and the EMPG Guidebook (EMD-PUB 208),

Re: FY23 Raise the Age Grant Agreement

Attached is the grant agreement for the FY23 Raise the Age Grant.

The Circuit Court Family Division issued an intent to apply for these funds in February 2022. The application was approved by the Board of Commissioners in August 2022.

These are State funds that are being awarded based upon legislation that raises the age that a juvenile can come before the Family Division for delinquency matters. Offenders who are 17 years of age will no longer be considered adults and will be handled in the juvenile system. The State has indicated that all costs associated with handling 17 year olds will be covered by the State.

The award amount is \$254,680 with no match required. The grant period starts on October 1, 2022 through September 30, 2023.

We are requesting approval of the FY23 Raise the Age Grant agreement at the October 20, 2022 Board of Commissioners meeting.

The Grantee will comply with all applicable requirements in the original grant awarded to the Department if the Grantee is a subgrantee. The Department may determine that the Grantee has not complied with applicable federal or state laws, guidelines, rules and regulations in carrying out the terms of this Agreement and may then terminate this Agreement under Part 2, Section V.

The Grantee further agrees that every subcontract entered into for the performance of any contract or purchase order resulting therefrom, will contain a provision requiring non-discrimination in employment, activity delivery and access, as herein specified, binding upon each subcontractor. This covenant is required pursuant to the Elliot-Larsen Civil Rights Act (1976 PA 453, as amended; MCL 37.2101 et seq.) and the Persons with Disabilities Civil Rights Act (1976 PA 220, as amended; MCL 37.1101 et seq.), and any breach thereof may be regarded as a material breach of this Agreement.

 - i. The requirements of any other nondiscrimination statute(s) which may apply to the application.
3. Additionally, assurance is given to the Department that proactive efforts will be made to identify and encourage the participation of minority-owned and women-owned businesses, and businesses owned by persons with disabilities in contract solicitations. The Grantee must include language in all contracts awarded under this Agreement which (1) prohibits discrimination against minority-owned and women-owned businesses and businesses owned by persons with disabilities in subcontracting; and (2) makes discrimination a material breach of contract.

The law also applies to children's activities that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's activities provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; activity providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where Women, Infants, and Children (WIC) coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity. The Grantee also assures that this language will be included in any subawards which contain provisions for children's activities.
2. The Grantee also assures, in addition to compliance with P.L. 103-227, any activity funded in whole or in part through this Agreement will be delivered in a smoke-free facility or environment. Federal funds cannot be used for partisan political purposes of any kind by any person or organization involved in the administration of federally assisted programs.

This Agreement and anyone working on this Agreement will be subject to section 6002 of P.L. 89-272, as amended, and must comply with all applicable standards, orders or regulations issued pursuant to this Act. Violations must be reported to the Department.

K. Subcontracts

For any subcontracted activity or product, the Grantee will ensure:

1. That a written subcontract is executed by all affected parties prior to the initiation of any new subcontract activity or delivery of any subcontracted product. Exceptions to this policy may be granted by the Department if the Grantee asks the Department in writing within 30 days of execution of the Agreement.
2. That any executed subcontract to this Agreement must require the subcontractor to comply with all applicable terms and conditions of this Agreement. In the event of a conflict between this Agreement and the provisions of the subcontract, the provisions of this Agreement will

prevail.

A conflict between this Agreement and a subcontract, however, will not be deemed to exist where the subcontract:

- a. Contains additional non-conflicting provisions not set forth in this Agreement;
 - b. Restates provisions of this Agreement to afford the Grantee the same or substantially the same rights and privileges as the Department; or
 - c. Requires the subcontractor to perform duties and/or activities in less time than that afforded the Grantee in this Agreement.
3. That the subcontract does not affect the Grantee's accountability to the Department for the subcontracted activity.
 4. That any billing or request for reimbursement for subcontract costs is supported by a valid subcontract and adequate source documentation on costs and activities.
 5. That the Grantee will submit a copy of the executed subcontract if requested by the Department.

L. Procurement

1. Grantee will ensure that all purchase transactions, whether negotiated or advertised, are conducted openly and competitively in accordance with the principles and requirements of 2 CFR 200.

M. Health Insurance Portability and Accountability Act

To the extent that the Health Insurance Portability and Accountability Act (HIPAA) is applicable to the Grantee under this Agreement, the Grantee assures that it is in compliance with requirements of HIPAA including the following:

1. The Grantee must not share any protected health information provided by the Department that is covered by HIPAA except as permitted or required by applicable law, or to a subcontractor as appropriate under

this Agreement.

2. The Grantee will ensure that any subcontractor will have the same obligations as the Grantee not to share any protected health data and information from the Department that falls under HIPAA requirements in the terms and conditions of the subcontract.
3. The Grantee must only use the protected health data and information for the purposes of this Agreement.
4. The Grantee must have written policies and procedures addressing the use of protected health data and information that falls under the HIPAA requirements. The policies and procedures must meet all applicable federal and state requirements including the HIPAA regulations. These policies and procedures must include restricting access to the protected health data and information by the Grantee's employees.
5. The Grantee must have a policy and procedure to immediately report to the Department any suspected or confirmed unauthorized use or disclosure of protected health information that falls under the HIPAA requirements of which the Grantee becomes aware. The Grantee will work with the Department to mitigate the breach and will provide assurances to the Department of corrective actions to prevent further unauthorized uses or disclosures. The Department may demand specific corrective actions and assurances and the Grantee must provide the same to the Department.
6. Failure to comply with any of these contractual requirements may result in the termination of this Agreement in accordance with Part 2, Section V.
7. In accordance with HIPAA requirements, the Grantee is liable for any claim, loss or damage relating to unauthorized use or disclosure of protected health data and information, including without limitation the Department's costs in responding to a breach, received by the Grantee from the Department or any other source.
8. The Grantee will enter into a business associate agreement should the Department determine such an agreement is required under HIPAA.

N. Website Incorporation

The Department is not bound by any content on Grantee's website or other internet communication platforms or technologies, unless expressly incorporated directly into this Agreement. The Department is not bound by any end user license agreement or terms of use unless specifically incorporated in this Agreement or any other agreement signed by the Department. The Grantee must not refer to the Department on the Grantee's website or other internet communication platforms or technologies without the prior written approval of the Department.

O. Survival

The provisions of this Agreement that impose continuing obligations will survive the expiration or termination of this Agreement.

P. Non-Disclosure of Confidential Information

1. The Grantee agrees that it will use confidential information solely for the purpose of this Agreement. The Grantee agrees to hold all confidential information in strict confidence and not to copy, reproduce, sell, transfer or otherwise dispose of, give or disclose such confidential information to third parties other than employees, agents, or subcontractors of a party who have a need to know in connection with this Agreement or to use such confidential information for any purpose whatsoever other than the performance of this Agreement. The Grantee must take all reasonable precautions to safeguard the confidential information. These precautions must be at least as great as the precautions the Grantee takes to protect its own confidential or proprietary information.

2. Meaning of Confidential Information

For the purpose of this Agreement the term “confidential information” means all information and documentation that:

- a. Has been marked “confidential” or with words of similar meaning, at the time of disclosure by such party;
 - b. If disclosed orally or not marked “confidential” or with words of similar meaning, was subsequently summarized in writing by the disclosing party and marked “confidential” or with words of similar meaning;
 - c. Should reasonably be recognized as confidential information of the disclosing party;
 - d. Is unpublished or not available to the general public; or
 - e. Is designated by law as confidential.
3. The term “confidential information” does not include any information or documentation that was:
 - a. Subject to disclosure under the Michigan Freedom of Information Act (FOIA);
 - b. Already in the possession of the receiving party without an obligation of confidentiality;
 - c. Developed independently by the receiving party, as demonstrated by the receiving party, without violating the disclosing party’s proprietary rights;
 - d. Obtained from a source other than the disclosing party without an obligation of confidentiality; or
 - e. Publicly available when received or thereafter became publicly available (other than through an unauthorized disclosure by,

through or on behalf of, the receiving party).

4. The Grantee must notify the Department within one business day after discovering any unauthorized use or disclosure of confidential information. The Grantee will cooperate with the Department in every way possible to regain possession of the confidential information and prevent further unauthorized use or disclosure.

Q. Cap on Salaries

None of the funds awarded to the Grantee through this Agreement will be used to pay, either through a grant or other external mechanism, the salary of an individual at a rate in excess of Executive Level II. The current rates of pay for the Executive Schedule are located on the United States Office of Personnel Management web site, <http://www.opm.gov>, by navigating to Policy — Pay & Leave — Salaries & Wages. The salary rate limitation does not restrict the salary that a Grantee may pay an individual under its employment; rather, it merely limits the portion of that salary that may be paid with funds from this Agreement.

IV. Financial Requirements

A. Operating Advance

An operating advance may be requested by the Grantee to assist with program operations. The request should be addressed to the Contract Manager identified in Part 1, Section VIII. The operating advance will be administered as follows:

1. The operating advance amount requested must be reasonable in relation to factors including but not limited to program requirements, the period of the Agreement, and the financial obligation. The advance must not exceed 16.67 percent of operating expenses. Operating advances will be monitored and adjusted by the Department relative to the Agreement amount.
2. The operating advance must be recorded as an account payable liability to the Department in the Grantee's financial records. The operating advance payable liability must remain in the Grantee's financial records until fully recovered by the Department.
3. The reimbursement for actual expenditures by the Department should be used by the Grantee to replenish the operating advance used for program operations.
4. The operating advance must be returned to the Department within 30 days of the end date of this Agreement unless the Grantee has a recurring agreement with the Department. Subsequent Department agreements may not be executed if an outstanding operational advance has not been repaid.

The Department may obtain the Michigan Department of Treasury's

assistance in collecting outstanding operating advances. The Department will comply with the Michigan Department of Treasury's Due Process procedures prior to forwarding claims to Treasury. Specific Due Process procedures include the following:

- a. An offer from the Department of a hearing to dispute the debt, identifying the time, place and date of such hearing.
 - b. A hearing by an impartial official.
 - c. An opportunity for the Grantee to examine the Department's associated records.
 - d. An opportunity for the Grantee to present evidence in person or in writing.
 - e. A hearing official with full authority to correct errors and decide not to forward debt to Treasury.
 - f. Grantee representation by an attorney and presentation of witnesses if necessary.
5. If the Grantee has a recurring agreement with the Department, the Department requires an annual confirmation of the outstanding operating advance. At the end of either the Agreement period or Department's fiscal year, whichever is first, the Grantee must respond to the Department's request for confirmation of the operating advance. Failure to respond to the confirmation request may result in the Department recovering all or part of an outstanding operating advance.

B. Reimbursement Method

The Grantee will be paid for allowable expenditures incurred by the Grantee, submitted for reimbursement on the Financial Status Reports (FSRs) and approved by the Department. Reimbursement from the Department is based on the understanding that Department funds will be paid up to the total Department allocation as agreed to in the approved budget. Department funds are the first source after the application of fees and earmarked sources unless a specific local match condition exists.

C. Financial Status Report Submission

The Grantee must electronically prepare and submit FSRs to the Department via the EGrAMS website <http://egram-mi.com/mdhhs>.

FSRs must be submitted on a monthly basis, no later than 30 days after the close of each calendar month. The monthly FSRs must reflect total actual program expenditures, up to the total agreement amount. Failure to meet financial reporting responsibilities as identified in this Agreement may result in withholding future payments.

The Grantee representative who submits the FSR is certifying to the best of their knowledge and belief that the report is true, complete and accurate and the expenditures, disbursements and cash receipts are for the purposes and

objectives set forth in the terms and conditions of this Agreement. The individual submitting the FSR should be aware that any false, fictitious or fraudulent information, or the omission of any material facts, may subject them to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise.

The instructions for completing the FSR form are available on the EGrAMS website <http://egram-mi.com/mdhhs>. Send FSR questions to FSRMDHHS@michigan.gov.

D. Reimbursement Mechanism

All Grantees must register using the on-line vendor self-service site to receive all state of Michigan payments as Electronic Funds Transfers (EFT)/Direct Deposits, as mandated by MCL 18.1283a. Vendor registration information is available through the Department of Technology, Management and Budget's web site: <https://www.michigan.gov/sigmavss>.

E. Final Obligations and Financial Status Reporting Requirements

1. Obligation Report

The Obligation Report, based on annual guidelines, must be submitted by the due date established by and using the format provided by the Department's Expenditures Operations Division. The Grantee must provide an estimate of unbilled expenditures for the entire Agreement period. The information on the report will be used to record the Department's year-end accounts payable and receivable for this Agreement.

2. Department-wide Payment Suspension

A temporary payment suspension is in effect on agreements during the Department's year-end closing period. The Department will notify the Grantee of the date by which FSRs should be submitted to ensure payment prior to the payment suspension period.

3. Final FSRs

Final FSRs are due 30 days following the end of the Agreement period. The final FSR must be clearly marked "Final." Final FSRs not received by the due date may result in the loss of funding requested on the Obligation Report and may result in a potential reduction in a subsequent year's Agreement amount.

F. Unobligated Funds

Any unobligated balance of funds held by the Grantee at the end of the Agreement period will be returned to the Department within 30 days of the end of the Agreement or treated in accordance with instructions provided by the Department.

G. Indirect Costs

The Grantee may use an approved federal or state indirect rate in their budget calculations and financial status reporting. If the Grantee does not have an existing approved federal or state indirect rate, they may use a 10% de minimis rate in accordance with 2 CFR 200 to recover their indirect costs. Governmental Grantees with an existing cost allocation plan may budget accordingly in lieu of an indirect cost rate. Non-governmental Grantees may use a cost allocation plan only if the plan was in place prior to December 26, 2014.

V. Agreement Termination

This Agreement may be terminated without further liability or penalty to the Department for any of the following reasons:

- A. By either party by giving 30 days written notice to the other party stating the reasons for termination and the effective date.
- B. By either party with 30 days written notice upon the failure of either party to carry out the terms and conditions of this Agreement, provided the alleged defaulting party is given notice of the alleged breach and fails to cure the default within the 30-day period.
- C. Immediately if the Grantee or an official of the Grantee or an owner is convicted of any activity referenced in Part 2 Section III. D. of this Agreement during the term of this Agreement or any extension thereof.

VI. Stop Work Order

The Department may suspend any or all activities under this Agreement at any time. The Department will provide the Grantee with a written stop work order detailing the suspension. Grantee must comply with the stop work order upon receipt. The Department will not pay for activities, Grantee's incurred expenses or financial losses, or any additional compensation during a stop work period.

VII. Final Reporting Upon Termination

Should this Agreement be terminated by either party, within 30 days after the termination, the Grantee must provide the Department with all financial, performance and other reports required as a condition of this Agreement. The Department will make payments to the Grantee for allowable reimbursable costs not covered by previous payments or other state or federal programs. The Grantee must immediately refund to the Department any funds not authorized for use and any payments or funds advanced to the Grantee in excess of allowable reimbursable expenditures.

VIII. Severability

If any part of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, that part will be deemed deleted from this Agreement and the severed part will be replaced by agreed upon language that achieves the same or similar objectives. The remaining parts of the Agreement will continue in full force and effect.

IX. Waiver

Failure by the Department to enforce any provision of this Agreement will not constitute a waiver of the Department's right to enforce any other provision of this Agreement.

X. Amendments

Any changes to this Agreement will be valid only if made in writing and executed by all parties through an amendment to this Agreement. Any change proposed by the Grantee which would affect the Department funding of any project must be submitted in writing to the Department immediately upon determining the need for such change. The Department has sole discretion to approve or deny the amendment request. The Grantee must, upon request of the Department and receipt of a proposed amendment, amend this Agreement.

XI. Liability

The Grantee assumes all liability to third parties, loss, or damage because of claims, demands, costs, or judgments arising out of activities, such as but not limited to direct activity delivery, to be carried out by the Grantee in the performance of this Agreement, under the following conditions:

- A. The liability, loss, or damage is caused by, or arises out of, the actions of or failure to act on the part of the Grantee, any of its subcontractors, or anyone directly or indirectly employed by the Grantee.
- B. Nothing herein will be construed as a waiver of any governmental immunity that has been provided to the Grantee or its employees by statute or court decisions.

The Department is not liable for consequential, incidental, indirect or special damages, regardless of the nature of the action.

XII. State of Michigan Agreement

This Agreement is governed, construed, and enforced in accordance with Michigan law, excluding choice-of-law principles, and all claims relating to or arising out of this Agreement are governed by Michigan law, excluding choice-of-law principles. Any dispute arising from this Agreement must be resolved in the Michigan Court of Claims. Complaints against the State must be initiated in Ingham County, Michigan. Grantee waives any objections, such as lack of personal jurisdiction or forum non conveniens. Grantee must appoint an agent in Michigan to receive service of process.

Re: FY 2023 Residential Substance Abuse Treatment grant award

Attached is the FY 2023 Residential Substance Abuse Treatment grant award. This grant is a Federal grant that is administered by the State of Michigan. The grant funds are used for residential substance abuse treatment for County residents.

The Federal share of this grant is \$181,554 with a 25% required match. Region 10 PIHP will pay \$32,500, the Sheriff's Commissary fund will pay 9,000, and the Jail will pay \$19,018, for a total award of \$242,072.

St. Clair County has been receiving these grants funds for over 10 years.

The funding has been primarily spent on Phase I activities at the Intervention Center. When there are additional funds, they are spent on one time projects, such as officer training, computers, and resource library books. Phase I is the psycho-educational portion of the program.

The St. Clair County Sheriff's Office is requesting approval of the FY2023 Residential Substance Abuse Treatment grant award at the October 20, 2022 Board meeting.

This project is supported by # 2019-J2-BX-0034, 2020-J2-BX-0034, awarded by the Bureau of Justice Assistance, Office of Justice Programs, U.S. Department of Justice (DOJ), and administered by the Michigan State Police (MSP). 3. Where activities supported by this Agreement produce books, films, or other such copyrightable materials issued by the Contractor, the Contractor may copyright such but shall acknowledge that the Department reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, and use such materials and to authorize others to reproduce and use such materials. 4. Any copyrighted materials or modifications bearing acknowledgment of the Department's name must be approved by the Department prior to reproduction and use of such materials.

B. Reporting Responsibilities:

Failure to comply with any reporting responsibilities identified in this Agreement may result in withholding grant payment(s) or the cancellation of grant award. The Contractor's lack of compliance will also be taken into account when considering future grant applications to, and awards from, the Department.

C. Uniform Crime Report (UCR):

The Contractor, and all of its subcontractors, must comply with 1968 PA 319, as amended. This law requires county sheriff's departments, as well as city, village, and township police departments to submit monthly UCR data to the Department.

D. Financial Reporting Requirements:

Financial reporting requirements shall be followed as defined within this section.

1. Reimbursement Method/Mechanism:

- a. All Contractors must register as a vendor to receive State of Michigan payments as Electronic Funds Transfers (EFT)/Direct Deposits. Vendor registration information is available on the State of Michigan SIGMA Vendor Self Service (VSS) website located at <https://sigma.michigan.gov/webapp/PRDVSS2X1/AltSelfService>.
- b. This Agreement is reimbursement only. Contractor must document that expenditures have been paid by local sources before requesting reimbursement from the Department.
- c. Reimbursement from the Department is based upon the understanding that Department funds will be paid up to the total Department allocation as agreed upon in the approved Budget. Department funds are the first source after the application of fees and earmarked sources unless a specific local match condition exists.
- d. Should the Contractor discover an error in a previous reimbursement request, the Contractor shall immediately notify the Department and refund to the Department any funds not authorized for use under this Agreement and any payments or funds advanced to the Contractor in excess of allowable reimbursable expenses.

2. Financial Status Report (FSR) Submission:

Once the Agreement has been signed and accepted, regardless of when this occurs, the Contractor is responsible for preparing and submitting a FSR for each month of the Agreement period, as specified in MAGIC+. The various FSRs are outlined below:

a. Monthly FSR:

Monthly FSRs must be prepared and submitted to the Department in MAGIC+, no later than 30 days after the close of each calendar month. An example is found in Attachment 5, which is part of this agreement through reference. Each month's reimbursement request may only contain expenses from that month. Reimbursement requests that include more than one month's expenditures may not be granted and will be returned to the Contractor for explanation and/or correction and re-submission.

b. Obligation Report:

An Obligation Report, based on annual guidelines, is a one-time FSR and must be submitted by the specified due date in MAGIC+. In this report, the Contractor will provide to the Department an estimate of total expenditures for the MAGIC+ date-specific Agreement period. The information from this report will be used to record the Department's year-end accounts payables and receivables for this Agreement.

c. Final FSR:

A Final FSR is due 30 days following the end of the fiscal year or Agreement period specified in MAGIC+. Final FSRs not received from the Contractor by the due date may result in the loss of funding requested on the Obligation Report and/or a potential reduction in the subsequent year's award, if/when applicable.

3. Unobligated Funds:

Any unobligated balance of funds held by the Contractor at the end of the Agreement period will be returned to the Department or treated in accordance with instructions provided by the Department.

4. Program Income:

The US DOJ regulations allow Contractors to keep funds (program income) derived from grant activities, so long

as these funds are used for the same purposes as the grant project. In the absence of such regulations, these funds would be required to be returned to the DOJ.

Program income means the gross income earned by the Contractor during the Agreement period as a direct result of the grant project.

All income generated as a direct result of a Department-funded project shall be deemed program income.

Program income may be used to further program objectives under this Agreement or may be refunded to the Department. Program income must be used for the purposes of, and under the conditions applicable to, the award specified in this Agreement. Program income may only be used for allowable program costs.

Asset forfeiture and treatment/lab fees are the most prominent program income derived from grant activity. The DOJ regulations require that program income be held in the custody of a governmental entity, with reporting on those funds to the State Administrative Agency (the Department).

When applicable, Program Income Reports (GRANTS-208B) are to be filed quarterly in MAGIC+.

Any program not earning program income must fill out and submit to the Department a Program Income Waiver Report (GRANTS-208A) in MAGIC+ within 30 days of the acceptance of this Agreement.

5. Audits:

This section applies to Contractors designated as subrecipients. Contractors designated as vendors are exempt from the provisions of this section.

a. Single Audit:

Contractors that expend \$500,000 or more in federal awards in the current fiscal year or expend \$750,000 or more in federal funds in a fiscal year after December 26, 2014 must submit a Single Audit prepared consistent with the Single Audit Act Amendments of 1996, and Office of Management and Budget (OMB) Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," as revised or 2 C.F.R. 200.501. Contractors must also submit a Corrective Action Plan for any audit findings that impact Department-funded programs and a management letter (if issued) with a response.

b. Financial Statement Audit:

Contractors exempt from the Single Audit requirements that receive \$500,000 or more **in total funding** from the Department in state and federal grant funding must submit to the Department a Financial Statement Audit prepared in accordance with generally accepted auditing standards (GAAS). Contractors exempt from the Single Audit requirements that receive less than \$500,000 of total Department grant funding must submit to the Department a Financial Statement Audit prepared in accordance with GAAS if the audit includes disclosures that may negatively impact Department-funded programs including, but not limited to fraud, financial statement misstatements, and violations of contract and grant provisions.

c. Due Date and Submission Information:

The required audit and any other required submissions (e.g., Corrective Action Plan and management letter with a response), must be submitted to the Department within nine months after the end of the Contractor's fiscal year to:

Michigan Department of State Police
Grants and Community Services Division
Attn: Grants Coordination Unit
P.O. Box 30634
Lansing, Michigan 48909-0634

d. Penalty:

i. Delinquent Single Audit or Financial Statement Audit:

If the Contractor does not submit the required Single Audit reporting package, management letter (if issued) with a response, and Corrective Action Plan; or the Financial Statement Audit and management letter (if issued) with a response within nine months after the end of the Contractor's fiscal year and an extension has not been approved by the cognizant or oversight agency for audit, the Department may withhold from the current funding an amount equal to five percent of the audit year's grant funding (not to exceed \$200,000) until the required filing is received by the Department. The Department may retain the amount withheld if the Contractor is more than 120 days delinquent in meeting the filing requirements and an extension has not been approved by the cognizant or oversight agency for audit. The Department may terminate the current grant if the Contractor is more than 180 days delinquent in meeting the filing requirements and an extension has not been approved by the cognizant or oversight agency for audit.

ii. Delinquent Audit Status Notification Letter:

Failure to submit the Audit Status Notification Letter, when required, may result in withholding from the current funding an amount equal to one percent of the audit year's grant funding until the Audit Status Notification Letter is received.

e. Other Audits:

The Department or federal agencies may also conduct or arrange for "agreed upon procedures" or additional audits to meet their needs.

E. Performance/Progress/PMT Report Requirements:

The progress reporting methods, as applicable, shall be followed as described in Attachment 4, which is part of this Agreement through reference.

Progress reporting is due no later than 20 days after the end of each quarter through the federal Performance Measurement Tool (PMT) system located at <https://bjapmt.ojp.gov/>. This link, as well as a user login and password, will be provided in MAGIC+ within 45 days of the start date of the Agreement.

When applicable, additional programmatic Progress Reports are due in MAGIC+ no later than 20 days after the end of each quarter.

F. Equipment Purchases and Title:

Any Contractor equipment purchases supported in whole or in part through this Agreement must be listed in an Equipment Inventory Schedule. Equipment means tangible, non-expendable, personal property having useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Title to items having a unit acquisition cost of less than \$5,000 shall vest with the Contractor upon acquisition. The Department reserves the right to retain or transfer the title to all items of equipment having a unit acquisition cost of \$5,000 or more, to the extent that the Department's proportionate interest in such equipment supports such retention or transfer of title.

All purchases supported in whole or in part through this Agreement must use procurement procedures that conform to the Contractor's local requirements.

G. Employee Time Certification:

It is the Contractor's obligation to notify the Department immediately when a Byrne JAG-funded employee (including employees of subcontractors):

- Is disabled or deceases while having been assigned to a grant-funded position;
- Is removed or reassigned from a grant-funded position; and/or,
- Is unable to report to work due to injury or illness not related to job performance (and is not replaced within 30 days by another employee).

The Contractor's failure to comply with notification to the Department could result in loss of position funding from the Department.

All Agreement-funded employees, including employees of subcontractors, will complete and submit to the Contractor an executed GRANTS-214, Employee Time Certification form (Attachment 6). The Contractor will

submit the certifications to the Department semi-annually, by attaching this fully executed form to their e-grant in MAGIC+. This form will be provided to the Contractor by the Department.

H. Record Maintenance/Retention:

Maintain adequate program and fiscal records and files, including source documentation to support program activities and all expenditures made under the terms of this Agreement, as required. Assure that all terms of this Agreement will be appropriately adhered to and that records and detailed documentation for the project or program identified in this Agreement will be maintained (may be off site) for a period of not less than four years from the date of grant closure, the date of submission of the Final FSR, or until litigation and audit findings have been resolved. All retention record guidelines set by the local jurisdiction (Contractor) must be adhered to if they require additional years beyond retention guidelines stated herein.

I. Authorized Access:

Permit upon reasonable notification and at reasonable times, access by authorized representatives of the Department, Program Evaluators (contracted by the Department), Federal Grantor Agency, Comptroller General of the United States and State Auditor General, or any of their duly authorized representatives, to records, files, and documentation related to this Agreement, to the extent authorized by applicable state or federal law, rule, or regulation.

The Department may conduct on-site monitoring visit(s) and/or grant audit(s) any time during the grant period. All grant records and personnel must be made available during any visit, including subcontractors, if requested.

The Department may request that a funded program be evaluated by an outside evaluation team contracted by the Department. Contractors shall work cooperatively with the evaluation team in such a manner that the program be able to be fully reviewed and assessed.

J. Subcontractor/Vendor Monitoring:

The Contractor must ensure that each of its subcontractors comply with the Single Audit Act of 1984, as amended, 31 U.S.C. 7501 *et seq.* requirements and must issue management decisions on audit findings of their subcontractors as required by OMB Circular A-133. The Contractor is responsible for reviewing all single audit adverse findings and ensuring that corrective actions are implemented. The Contractor will ensure subcontractors forward all single audits covering grant funds administered through the Department to the Contractor.

The Contractor must ensure that subgrantees are expending grant funds appropriately as approved in the MAGIC+ application and as specified through this Agreement, and must conduct monitoring activities to ensure compliance with all associated laws, regulations, and provisions as well as ensure that performance goals are achieved. The Contractor must ensure compliance for for-profit subcontractors as required by OMB Circular A-133, Section 210(e). The Contractor must ensure that transactions with vendors comply with laws, regulations, and provisions of contracts or grant agreements in compliance with OMB Circular A-133, Section 210(f).

1. Subcontracts:

Assure for any subcontracted service, activity or product:

- a. That the Contractor will submit copies of all executed subcontracts in MAGIC+ within 60 days of the execution of this Agreement. Subcontracts should cover all personnel contained in the "contractual" line item within the grant budget. Each listed agency shall have its own subcontract signed by the Contractor and an employee of the subcontracted agency that is authorized to enter into legally binding contracts for the entity receiving funds. The failure to submit these documents to the Department within 60 days may result in withholding future payment or other penalties, as determined by the Department.
- b. That a written subcontract is executed by all affected parties prior to the initiation of any new subcontract activity. Exceptions to this policy may be granted by the Department upon written request within 30 days of execution of this Agreement.

- c. That any executed subcontract to this Agreement shall require the subcontractor to comply with all applicable terms and conditions of this Agreement, including all Certifications and Assurances referenced in this Agreement.
- d. That, in the event of a conflict between this Agreement and the provisions of the subcontract, the provisions of this Agreement shall prevail. A conflict between this Agreement and a subcontract, however, shall not be deemed to exist where the subcontract:
 - i. Contains additional non-conflicting provisions not set forth in this Agreement;
 - ii. Restates provisions of this Agreement to afford the Contractor the same or substantially the same rights and privileges as the Department; or,
 - iii. Requires the subcontractor to perform duties and/or services in less time than that afforded the Contractor in this Agreement.
- e. That the subcontract does not affect the Contractor's accountability to the Department for the subcontracted activity.
- f. That any billing or request for reimbursement for subcontract costs is supported by a valid subcontract and adequate source documentation on costs and services. All subcontractors must submit requests for reimbursement to the Contractor in a timely manner such that the Contractor can include these requests on the proper month's FSR. **Subcontractors must be paid within 30 days of receipt of invoice by the subcontractor.**

K. Notification of Modifications:

The Contractor must provide timely notification to the Department, in writing, of any action by its governing board or any other funding source that would require or result in significant modification in the provision of services, funding, or compliance with operational procedures.

L. Software Compliance:

The Contractor must ensure software compliance and compatibility with the Department's data systems for services provided under this Agreement including, but not limited to: stored data, databases and interfaces for the production of work products, and reports. All required data under this Agreement shall be provided in an accurate and timely manner without interruption, failure, or errors due to the inaccuracy of the Contractor's business operations for processing date/time data.

M. Human Subjects:

The Contractor agrees that prior to the initiation of research, the Contractor will submit Institutional Review Board (IRB) application material for all research involving human subjects conducted in programs sponsored by the Department or in programs which receive funding from or through the state of Michigan, to a federally assured IRB for review and approval. All paperwork involving the IRB must be submitted to the Department.

N. Notification of Criminal or Administrative Investigations/Charges:

Employees of the Contractor or subcontractor shall clearly document the number of hours spent on secular activities associated with the DOJ-funded program and ensure that time spent on twelve-step programs is completely separate from time spent on permissible secular activities. a. Notification:

It may not discriminate in employment on the basis of race, color, national origin, religion, sex, and disability and may not discriminate in the delivery of services or benefits on the basis of race, color, national origin, religion, sex, disability, and age. These laws also prohibit retaliation against an individual for taking action or participating in action to secure rights protected by these laws. It shall notify all clients, customers, program participants, or consumers of the types of prohibited discrimination, as well as the complaint procedures, in writing. Notification may include placing posters in an area that may be easily viewed by all and/or providing a paper copy to each of the listed types of individuals. It shall forward all discrimination complaints to the Department as described in the complaint procedures in Attachment 7. Subcontractors, clients, customers, program participants or consumers may also report complaints to the Office of Justice Programs (OJP)/Office for Civil Rights (OCR) or the Michigan Department of Civil Rights (MDCR) directly, as outlined in Attachment 7, but the Contractor shall notify the Department of the complaint as soon as the complaint is known. In the event that a Federal or State court, or Federal or State Administrative Agency, makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, sex, or disability against the Contractor or subcontractor, the Contractor shall forward a copy of the finding to the OJP/OCR and the Department.

b. Training:

Any and all DOJ-funded employees of the Contractor and subcontractors shall receive periodic training at least once every contract year regarding the responsibility of the entities to comply with applicable federal civil rights laws as a recipient of federal funds. The Department shall provide the Contractor with access to training developed by the OJP/OCR, which may be found at <https://www.ojp.gov/about/ocr/ocr-training-videos/video-ocr-training.htm>. The DOJ-funded employees of the Contractor shall complete the required training within 90 days of the start date of this Agreement and certify that the required training has been completed by signing the OCR Compliance Training Form. New employees shall

complete the required training and provide a signed OCR Compliance Training Form to the Department within 90 days of the date of hire.

c. Monitoring:

The Department shall ensure that the Contractor is complying with all applicable civil rights laws and procedures by completing the Civil Rights Compliance Questionnaire, see Attachment 8, with the Contractor during site monitoring visits and desk audits.

7. It shall determine if an Equal Employment Opportunity Plan (EEOP) is required, pursuant to 28 C.F.R. 42.301 *et seq.* If the Contractor is not required to formulate an EEOP, a certification form shall be sent to the OJP/OCR and the Office of Personnel Management (OPM) indicating that an EEOP is not required. If the Contractor is required to develop an EEOP, but is not required to submit the EEOP to the OCR, a certification form shall be sent to the OCR and the Department certifying that an EEOP is on file which meets the applicable requirements. If the Contractor is awarded a grant of \$500,000 or more, and has 50 or more employees, a copy of the EEOP shall be submitted to the OJP/OCR and OPM. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption (a copy of the form shall be submitted to the OPM). Additional information about the EEOP requirements may be found at <https://www.ojp.gov/about/ocr/eeop.htm>.
8. If the Contractor is a governmental entity:
 - a. It will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisitions Policies Act of 1970, 42 U.S.C. § 4601 *et seq.*, which governs the treatment of persons displaced as a result of federal and federally-assisted programs; and,

G. Non-Supplanting:

It is imperative that the Contractor understand that the nonsupplanting requirement mandates that grant funds may be used only to supplement (increase) a Contractor's budget, and may not supplant (replace) state, local or tribal funds that a Contractor, inclusive of any subcontractors, otherwise would have spent on positions and/or any other items approved in the Grant Budget if it had not received a grant award.

This means that if your agency plans to:

1. Hire new positions (including filling existing vacancies that are no longer funded in your agency's budget), it must hire these additional positions on or after the official grant award start date, above its current budgeted (funded) level of positions.
2. Rehire personnel who have already been laid off (at the time of application) as a result of state, local, or tribal budget cuts, it must rehire the personnel on or after the official grant award start date, and maintain documentation showing the date(s) that the positions were laid off and rehired.
3. Maintain personnel who are (at the time of application) currently scheduled to be laid off on a future date as a result of state, local, or tribal budget cuts, it must continue to fund the personnel with its own funds from the grant award start date until the date of the scheduled lay-off and maintain documentation showing the date(s) and reason(s) for the lay-off. For example, if the grant award start date is July 1 and the lay-off is scheduled for October 1, then the grant funds may not be used to fund the officers until October 1, the date of the scheduled layoff.

Please note that as long as your agency can document the date that the lay-off(s) would occur if the grant funds were not available, it may transfer the personnel to the grant funding on or immediately after the date of the lay-off without formally completing the administrative steps associated with a lay-off for each individual personnel.

4. Documentation that may be used to prove that scheduled lay-offs are occurring for local economic reasons that are

unrelated to the availability of grant funds may include (but are not limited to) council or departmental meeting minutes, memoranda, notices, or orders discussing the lay-offs; notices provided to the individual personnel regarding the date(s) of the layoffs; and/or budget documents ordering departmental and/or jurisdiction-wide budget cuts. These records must be maintained with your agency's grant records .

H. Hatch Political Activity Act and Intergovernmental Personnel Act:

The Contractor will comply with the Hatch Act of 1939, 5 U.S.C. 1501-08, and the Intergovernmental Personnel Act of 1970, as amended by Title VI of the Civil Service Reform Act of 1978, 42 U.S.C. 4728. Federal funds cannot be used for partisan political purposes of any kind by any person or organization involved in the administration of federally-assisted programs.

I. Health Insurance Portability and Accountability Act of 1996:

To the extent that the Health Insurance Portability and Accountability Act (HIPAA) of 1996 is pertinent to the services that the Contractor provides to the Department under this Agreement, the Contractor assures that it is in compliance with the HIPAA requirements including the following:

The policies and procedures must meet all applicable federal and state requirements including the HIPAA regulations. These policies and procedures must include restricting access to the protected health data and information by the Contractor's employees .
5. The Contractor must have a policy and procedure to report to the Department unauthorized use or disclosure of protected health data and information that falls under the HIPAA requirements of which the Contractor becomes aware.
6. Failure to comply with any of these contractual requirements may result in the termination of this Agreement in accordance with Section XI, Agreement Suspension/Termination, above.
7. In accordance with the HIPAA requirements, the Contractor is liable for any claim, loss, or damage relating to unauthorized use or disclosure of protected health data and information received by the Contractor from the Department or any other source.

Such an exception would require prior approval from the Department and the DOJ. This restriction does not apply to water provided at no cost, but does apply to any and all other refreshments, regardless of the size or nature of the meeting. Additionally, this restriction does not impact direct payment of per diem amounts to individuals in a travel status under your organization's travel policy.

GRANT SUMMARY

Attachment 1

RSAT-90005-St. Clair Co. Sheriff's Dept.-2023

St. Clair County proposes to provide an intensive cognitive behavioral treatment program addressing the substance use and criminal history of felony offenders while they are incarcerated. The three phases of the program include Intensive Education, Therapeutic Groups, and Re-Entry planning. A case manager will provide release planning and aftercare as a component of Re-Entry services.

STATEMENT OF WORK

RSAT-90005-St. Clair Co. Sheriff's Dept.-2023

St. Clair County proposes to provide an intensive programming environment designed to target the substance abuse, criminal thinking and re-entry needs of the felony jail population. Eligible offenders will participate in a 3-phase program that includes intensive addiction education, intensive group therapy, cognitive behavioral therapy, groups addressing trauma and re-entry services to address the treatment and life skills deficits of the targeted offender in a multi-phase 90-day residential treatment program.

Services will be provided within the St. Clair County Intervention Center (SCCIC). Participants must demonstrate the ability to behave appropriately to be housed in general population, where programming is available. The Department of Corrections requires that Circuit Court Probation Officers complete the COMPAS Risk and Needs Assessment with defendants as part of the pre-sentence interview. The Probation Officer then uses the results to make recommendations for programming as part of the sentence. Previously, RSAT staff completed the COMPAS at intake, utilizing the results as part of the re-entry planning. Probation is now providing us with the COMPAS results at the time of sentencing, which our case manager utilizes to focus on the individual's needs for re-entry. In addition, when calibrated, the COMPAS will identify overall risk potential, criminal involvement, relationship and lifestyle issues and attitudes which enables the Case Manager to address those areas at the beginning of the program. The RSAT rules and policies are reviewed with each participant by the RSAT Case Manager and/or Project Director. The willingness to participate is determined at that time, and the onset of Phase I services are scheduled.

The 1st phase utilizes A New Direction, a cognitive-behavioral education curriculum developed by Hazelden Foundation. 1st phase uses three workbooks in this series: Co-Occurring Disorders, Criminal and Addictive Thinking, and Relapse Prevention. Second phase utilizes the Criminal Conduct and Substance Abuse Treatment: Strategies for Self-Improvement and Change, Pathways to Responsible Living: by Kenneth Wanberg.

First phase consists of 36 hours of didactic sessions, with assigned homework for the individual to complete prior to the next session. 1st phase is 3-4 weeks long, with the didactic sessions held 4 times a week. These sessions are facilitated by Prevention Specialists employed by I.M.P.A.C. T who was formerly named Center for Human Resources. Phase 1 is funded by this grant, with the local match provided by Region 10, the designated Coordinating Agency for Genesee, Lapeer, Sanilac and St. Clair County. All services provided are reported to and approved by the Coordinating Agency, and the Prevention Specialists are credentialed through Region 10 and Michigan Certification Board for Addiction Professionals (MCBAP).

As with Phase 1, homework is assigned after each group in Phase 2, including an autobiography of the participant's substance abuse history. Second phase consists of 18 three hour therapy groups, which is completed in 6-7 weeks at the Intervention Center. Phase 2 groups are facilitated by Master's Level Clinicians, employed by Catholic Charities of Southeast Michigan, another local provider credentialed by Region 10 and MCBAP. Phase 2 groups primarily utilize cognitive behavioral therapy, trauma informed care and Motivational Interviewing.

3rd phase focuses on re-entry, and consists of developing a comprehensive aftercare plan, including referrals for outpatient counseling, ongoing medication assisted treatment, assistance with transportation, obtaining identification and recovery housing. The RSAT program has a case manager who works with participants, focusing on identifying specific needs for re-entry and linkage to community supports. At times, a residential rehab facility is recommended. Programs for substance abuse treatment must be licensed through the State of Michigan, and have a contract with Region 10. The case manager also provides supports while the individual is incarcerated, including preparation of resumes, applying for jobs online, mental health services, physical health referrals, educational resources and assisting in applying for public assistance/Medicaid and other benefits. Inmates also have access to the Spiritual Life programs, recovery support groups, mental health and medical services while incarcerated.

Relapse prevention is addressed initially in the first phase, with more emphasis in the second phase, and culminating with a relapse prevention plan developed with the 2nd phase therapist. The final phase focuses efforts on decreasing risk factors for recidivism and relapse to substance abuse and incarceration. Upon release from the program and incarceration, clients will have a detailed aftercare plan to be monitored and implemented with the support of court ordered supervision via the Probation Residential Program, Day Reporting, and Probation Department. Existing software available on the St. Clair County Network (Web COMPAS) will be used for assessments, case planning, and program evaluation. Participants identified during the course of their RSAT

program as appropriate for further treatment services are referred to Region 10's Health Access line. When appropriate, participants are screened prior to their discharge from RSAT, and have an appointment scheduled with an outpatient Provider. We are able to initialize a medication assisted treatment (MAT) program, partnering with Sacred Heart to screen, educate and provide the first Vivitrol injection prior to release from the jail. Sacred Heart will also be providing peer support services that will arrange for continuing medication after release as well as outpatient counseling. MAT will be offered to all inmates at our facility, it is not funded through this grant. We have expanded our MAT options by offering suboxone and methadone.

We also utilize our County's recovering community, $\frac{3}{4}$ houses, $\frac{1}{2}$ way houses and churches. Many of these individuals volunteer to meet with inmates on a regular basis to provide support and assistance upon the inmate's release from custody. We have also implemented a new facility spiritual service through Reach the Forgotten Ministries which has had a positive impact on the inmates as well as staff. These services are all voluntary. Providers of therapeutic and educational substance abuse services to inmates are licensed to provide substance abuse prevention and treatment services and are credentialed by Region 10. The recovery housing agencies are also licensed under prevention requirements by Region 10. Region 10's program and practitioner registries are available at their Web Portal <http://www.spfsig.org/>. Service delivery is audited by Region 10, and Michigan Department of Corrections.

The Michigan Department of Corrections uses a combination of instant devices and reference laboratory services for urine testing all prisoners, parolees and probationers. The 31st Circuit Court Probation Department conducts random drug testing consistent with Department policy on RSAT participants who successfully complete the program and are released into community supervision. Urinalysis is also conducted within the Intervention Center when requested. While urinalysis is a part of the program, the funding is completely through Michigan Department of Corrections, and is not funded with this grant. May it be noted, their contracted Peer Recovery Coaches are also not funded through this grant.

During FY 14, a specialized women's group addressing PTSD and Addiction to Trauma was developed for the female RSAT participants and two years later for them male participants. This group includes information on PTSD, group discussion for identifying the relationship between past trauma and unhealthy decisions, education on effective problem solving skills and developing individual crisis plans for dealing with situations when trauma becomes unmanageable. This group will continue at the same level in FY 23. Both are facilitated by Sacred Heart Rehabilitation Center, and use the "Seeking Safety" model.

The MAT program is funded through Region 10, with State Targeted Revenue (STR). The local recovery community and community churches in St. Clair County have been very active in providing in-jail support groups, as well as individual sessions addressing support and offering mentoring upon release for RSAT participants. A by-product has been that several RSAT participants have developed resources for continued support group involvement when they return to the community. The grant will fund the Case Manager salary and benefits, who meets individually with RSAT participants during 1st phase to assess needs, and throughout 2nd phase to develop an aftercare plan. Additional funding sources for St. Clair County RSAT are Region 10 SAPT and the Sheriff's Department. Several local agencies provide services within the Intervention Center, offering programs to benefit the participants in hopes that they will have more options when released. The Intervention Center provides GED tutoring and testing, High School Recovery credit, Parenting Skills, Family Planning, Skills for Effective Living, Anger Management, Drug and Alcohol Education, Alcohol Recovery Education, Spiritual Life Classes, Domestic Assault Intervention Program, Trauma Recovery Empowerment Model and various support groups. These groups are open to the inmates housed in general population, and are frequently required of RSAT participants when the Courts, Probation or individual requests them. The programs are funded with SAPT prevention funds managed by Region 10 or the Sheriff's Commissary fund. St. Clair CMH also provides mental health services to all inmates at the Intervention Center, and the RSAT staff is in daily contact with mental health and medical personnel in the facility.

Areas for development in FY 23 include:

1. Ensure continuation of funding in order to insure program availability and possible expansion of the model in the future.
2. Cooperation with MDOC in sharing a data system (COMPAS) with data available to Probation and RSAT staff, ensuring accurate and ongoing information of participants' progress throughout the system. This data will be used to

STATEMENT OF WORK

facilitate outcome evaluation and follow up.

3. Assist with enrolling participants in the healthcare marketplace, and utilizing benefits to enhance their aftercare activities.

4. Providing medication assisted treatment (MAT), partnering with Sacred Heart rehabilitation for their medical, therapy and Peer Recovery Coaches, to provide MAT to eligible RSAT participants.

5. Provide assistance in re-entry planning, including Recovery Housing, outpatient referrals, relapse prevention, MAT in the community and provide monthly bus passes for eligible participants.

The costs benefits for St. Clair County have been realized in recent years, and are specifically measurable by the number of jail bed days saved when an individual receives early release from incarceration having completed the RSAT/programming requirements.

Typically, our savings for a year are between \$600,000 - \$800,000.

SUBJECT: Discrimination Complaint Procedures for Federal Grant-Funded Projects

I. Purpose

As a condition for receiving funding from the U.S. Department of Justice (DOJ), all recipients and subrecipients of such funding must comply with applicable federal civil rights laws. This document will establish written procedures for MSP employees and DOJ-funded grant subrecipients to follow if a complaint alleging discrimination is received from clients, customers, program participants, or consumers of a MSP subrecipient implementing funding from the DOJ.

II. Policy

Recipients and subrecipients of DOJ funding may not discriminate in employment on the basis of race, color, national origin, religion, sex, and disability. They also may not discriminate in the delivery of services or benefits on the basis of race, color, national origin, religion, sex, disability, and age. The MSP will notify subrecipients of their required compliance with the following statutes and regulations through the interagency agreement:

- The Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. § 3789d); the Victims of Crime Act (42 U.S.C. § 10604(e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (42 U.S.C. § 5672(b)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); the Age Discrimination Act of 1975, (42 U.S.C. §§ 6101-07), Ex. Order 13279 (equal organizations); and 28 C.F.R. Part 38 (U.S. Department of Justice Equal Treatment for Faith-Based Organizations).
- 28 CFR 42.301 et seq, which requires recipients determine if it is required to formulate an Equal Employment Opportunity Plan (EEOP). If the recipient is not required to formulate an EEOP, it will submit a certification form to the U.S. Department of Justice, Office of Justice Programs, Office for Civil Rights (OCR), and the Office of Personnel Management (OPM) indicating that it is not required to develop an EEOP. If the recipient is required to develop an EEOP, but is not required to submit the EEOP to the OCR, it will submit a

certification form to the OCR and the MSP certifying that it has an EEOP on file which meets the applicable requirements. If the recipient is awarded a grant of \$500,000 or more and has fifty or more employees, it will submit a copy of its EEOP to the OCR and OPM. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption (a copy of the form should also be submitted to the OPM).

- Title VI of the Civil Rights Act of 1964 and the Omnibus Crime Control and Safe Streets Act of 1968m, which require subrecipients to provide meaningful access to programs and activities to Limited English Proficient (LEP) persons.

- The Michigan Elliott-Larsen Civil Rights Act, MCL 37.2101 et. Seq, which prohibits discriminatory practices, policies, and customs in the exercise of those rights based upon religion, race, color, national origin, age, sex, height, weight, familial status, or marital status in Michigan.

- The Michigan Persons With Disabilities Civil Rights Act, Act 220 of 1976, which defines the civil rights of persons with disabilities; to prohibit discriminatory practices, policies, and customs in the exercise of those rights; to prescribe penalties and to provide remedies; and to provide for the promulgation of rules.

These laws also prohibit agencies from retaliating against an individual for taking action or participating in action to secure rights protected by these laws.

In the event that a Federal or State court, or Federal or State Administrative Agency, makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, sex, or disability against the Contractor, subcontractor or vendor, they will forward a copy of the finding will be forwarded to the Office for Civil Rights, Office of Justice Programs and the Department.

The MSP will notify its own employees of their required compliance with the preceding civil rights statutes and regulations through an Official Order.

III. Definitions

Contract means any Government contract or subcontract or any federally assisted construction contract or subcontract.

Complainant is a party that makes a complaint or files a formal charge.

Discrimination means treating an individual or a group of individuals adversely because of protected class status; or using a test, standard, or employment practice that has the effect if illegally excluding or screening in or out of a protected class.

MSP Employee is an individual providing services for and paid by the State of Michigan/Michigan State Police, including independent contractors, union and non-union employees, managers and supervisors, enlisted members and civilians.

Recipient is the entity which receives a monetary award from the DOJ.

Subcontract means any agreement or arrangement between a contractor and any person (in which the parties do not stand in the relationship of an employer and an employee):

1. For the purchase, sale or use of personal property or nonpersonal services which in whole or in part, is necessary to the performance of any one or more contracts; or
2. Under which any portion of the contractor's obligation under any one or more contracts is performed, undertaken or assumed.

Subcontractor is any person holding a subcontract, and, for the purposes of this definition, any person who has held a subcontract subject to the order. The term "first-tier subcontractor" refers to a subcontractor holding a subcontract with a prime contractor.

Subrecipient is the entity that receives a monetary award from the DOJ recipient.

Subrecipient Employee is an individual or subcontractor being paid using DOJ grant funds.

IV. Complaint Procedures

The following are MSP's procedures for accepting and responding to discrimination complaints from subrecipient employees, clients, customers, program participants, or consumers of a MSP subrecipient implementing funding from the DOJ:

1. All discrimination complaints associated with DOJ grants shall be submitted to the Grants and Community Services Division (GCSD) by mail, telephone or e-mail to:

Michigan State Police
Grants and Community Services Division
333 S. Grand Ave.
Lansing, MI 48909
(517) 373-2960
MSP-CJGrants@michigan.gov

2. The GCSD Director will send the complainant a letter within 10 days from the date it was received to acknowledge receipt of the complaint, notify the complainant that it has been submitted to the Michigan Department of Civil Rights, and inform the complainant that he or she may also file a complaint directly with the federal Office for Civil Rights (OCR) at:

Office of Justice Programs
Office for Civil Rights
810 7th Street NW
Washington, DC 20531
(202) 307-0690
Fax: (202) 616-9865
TTY: (202) 307-2027

3. Within 10 days of the receipt of the complaint, the GCSD Director will send an email to the DOJ subrecipient to notify the agency that a complaint against has been filed against it.
4. The GCSD Director will forward the complaint to the Inspector of the MSP Office of Human Resources (OHR) immediately upon receipt of the complaint. The OHR Inspector or his or her designee will serve as the coordinator for all complaints regarding civil rights violations and will immediately forward the complaint to the Michigan Department of Civil Rights by emailing MDCRServiceCenter@michigan.gov. If MDCR informs the MSP that it does not have jurisdiction to investigate the complaint, the OHR Inspector will forward the complaint to the OCR for investigation.

The preceding complaint procedures are an attachment to the subrecipient contracts for all DOJ grants awarded by the MSP. Subrecipients must notify all clients, customers, program participants, or consumers of the types of prohibited discrimination, as well as the complaint procedures, in writing. Notification may include placing posters in an area that may be easily viewed by all and/or providing a paper copy to each of the listed

types of individuals. Subrecipients must forward all discrimination complaints to the MSP as described in the complaint procedures. Subcontractors, clients, customers, program participants or consumers may also report complaints to the Office of Justice Programs/Office for Civil Rights or the Michigan Department of Civil Rights directly, but the MSP must be notified of the complaint by the subrecipient as soon as the complaint is known.

The MSP will ensure that all subrecipients are in compliance with the identified statutes and regulations by reviewing subrecipient procedures during site visits and other subrecipient monitoring activities.

5. The MSP, in cooperation with MDCR and OCR, will review and complete complaint investigations within 120-days. Complainants will receive written notification of the completion of the investigation and any associated findings within 10-days of the completion of the investigation. If the complexity of the investigation precludes this 120 day timeline from being met, the MSP shall notify the complainant in writing when it becomes aware that the investigation will not meet the 120 day timeline. This correspondence shall include a new timeline with an estimated completion date.

V. Training

All DOJ-funded MSP employees and subrecipients will receive periodic training at least once every contract year regarding their responsibility to comply with applicable federal civil rights in their capacity as a recipient of federal funds. Additionally, training will include review of these complaint procedures, including the employee's responsibility to refer discrimination complaints from clients, customers, program participants, or consumers to the appropriate MSP contact. The GCSD will provide DOJ-grant subrecipients and DOJ-funded MSP employees with access to OCR training modules, found on OCR's website, <http://www.ojp.usdoj.gov/about/ocr/assistance.htm>. Subrecipients will be required to certify they have completed this training during the first quarter of each grant cycle as part of their grant award agreement with the MSP.

These procedures and training requirements will also be disseminated to MSP employees via departmental memorandum and posted on the MSP intranet website. New employees will receive a copy of the procedures and access to the DHS training program during initial job training from any supervisor managing DOJ-funded employees.

VI. Monitoring

The GCSD has implemented a two-part process to ensure and monitor sub-recipients compliance with civil rights laws. Applicants must annually complete and submit to the GCSD the Civil Rights Compliance Questionnaire. Additionally, MSP grant advisors will complete the Civil Rights Compliance Questionnaire with applicants during on-site monitoring visits.

VII. Policy Dissemination

This policy shall be distributed to all MSP employees via a department-wide memorandum contingent upon final OCR approval. Additionally, the policy will be distributed via MSP's grant award agreement with DOJ-funded subrecipients as part of the standard grant award package.

Federal Civil Rights Compliance Checklist

Re: Flock License Plate Readers (LPR)

The St. Clair County Sheriff's Office has had negotiations with Flock Group for License plate readers (LPR) in the county. This is for a 2 year contract with a 60 day free pilot period. After 60 days we have to option to cancel at no charge. If the pilot goes well the contract would take effect.

We are asking for 1st year for \$48,100 and a second year for \$42,500 for the Drug Task Force Budget. The Drug Task Force would maintain the system and make it available to road patrol and other agencies. This will include installation of all cameras and advance search features on the system. The cameras are leased for the two years under this agreement. These cameras do NOT have enforcement capabilities. All surrounding Law Enforcement agencies (Port Huron, Marysville, St. Clair, and Marine City) are using this technology already. This would allow the county to align and share resources with other local departments.

The Footage will be available for Agency’s designated administrator, listed on the Order Form, and any Authorized End Users to access and download via the Web Interface for thirty (30) days. Authorized End Users will be required to sign up for an account and select a password and username (“**User ID**”). Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall be responsible for all acts and omissions of Authorized End Users, and any act or omission by an Authorized End User which, if undertaken by Agency, would constitute a breach of this Agreement, shall be deemed a breach of this Agreement by Agency. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User’s use of the Services and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage) which makes the Services available to Agency and Authorized End Users. Warranties provided by said third Party service providers are the agency’s sole and exclusive remedy and Flock’s sole and exclusive liability with regard to such third-Party services, including without limitation hosting the web interface. Agency agrees to comply with any acceptable use policies and other terms of any third-Party service provider that are provided or otherwise made available to Agency from time to time.

2.5 Usage Restrictions.

2.5.1 Flock IP. The Permitted Purpose for usage of the Flock Hardware, Agency Hardware, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency. Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Flock Hardware, Documentation, or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Agency’s rights under Sections 2.1, 2.2, 2.3, or 2.4.

2.5.2. Flock Hardware. Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Except for Falcon Flex products, which are designed for self-installation, Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.5.2, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

2.6 Retained Rights; Ownership. As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

2.7 Suspension.

2.7.1 Service Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency's and any Authorized End User's access to any portion or all of the Flock IP or Flock Service if Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP by Agency; (b) Agency's or any Authorized End User's use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Agency has violated any term of this provision, including, but not limited to, utilizing the Services for anything other than the Permitted Purpose ("**Service Suspension**"). Agency shall not be entitled to any remedy for the Service Suspension period, including any reimbursement, tolling, or credit.

2.7.2 Service Interruption. Services may be interrupted in the event that: (a) Flock's provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (b) any third-party services required for Services are interrupted; (c) if Flock reasonably believe Services are being used for malicious, unlawful, or otherwise unauthorized use; (d) there is a threat or attack on any of the Flock IP by a third party; or (e) scheduled or emergency maintenance ("**Service Interruption**"). Flock will make commercially reasonable efforts to provide written notice of any Service Interruption to Agency and to provide updates regarding resumption of access to Flock Services. Flock will use commercially reasonable efforts to resume providing access to the Service as soon as reasonably possible after the event giving rise to the Service Interruption is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Agency or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Agency's direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency's account that have been impacted. For example, in the event of a Service Interruption lasting five (5) continuous days, Agency will receive a credit for five (5) free days at the end of the Term.

2.8 Installation Services.

2.8.1 Designated Locations. For installation of Flock Hardware, excluding Falcon Flex products, prior to performing the physical installation of the Flock Hardware, Flock shall advise Agency on the location and positioning of the Flock Hardware for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Flock Hardware ("**Designated Location**") and collaborate with Agency to design the Deployment Plan confirming the Designated Locations. Flock shall have final discretion on location of Flock Hardware. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency's delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. After installation, any subsequent changes to the Deployment Plan ("**Reinstalls**") will incur a charge for Flock's then-

current list price for Reinstalls, as listed in the then-current Reinstall policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment fees. For clarity, Agency will receive prior notice and provide approval for any such fees. These changes include but are not limited to re-positioning, adjusting of the mounting, re-angling, removing foliage, replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock shall have full discretion on decision to reinstall Flock Hardware.

2.8.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although Flock Hardware is designed to utilize solar power, certain Designated Locations may require a reliable source of 120V or 240V AC power. In the event adequate solar power is not available, Agency is solely responsible for costs associated with providing a reliable source of 120V or 240V AC power to Flock Hardware. Flock will provide solar options to supply power at each Designated Location. If Agency refuses recommended solar options, Agency waives any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar power. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state, or local taxes including property, license, privilege, sales, use, excise, gross receipts, or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Flock Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Flock Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment, or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency (“**Agency Installation Obligations**”). In the event that a Designated Location for Flock Hardware requires permits, Flock may provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Flock Hardware from the temporary alternate location to the permitted location at no additional cost. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has, or shall lawfully obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation.

2.8.3 Flock’s Obligations. Installation of Flock Hardware shall be installed in a workmanlike manner in accordance with Flock’s standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Following the initial installation of the

Flock Hardware and any subsequent Reinstalls or maintenance operations, Flock's obligation to perform installation work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of Flock Hardware for the length of the Term and will receive access to the Footage for a period of seven (7) business days after the initial installation for quality control and provide any necessary maintenance. Labor may be provided by Flock or a third-party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware. Notwithstanding anything to the contrary, Agency understands that Flock will not provide installation services for Falcon Flex products.

2.8.4 Ownership of Hardware. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Agency default on any payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

2.9 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

2.10 Support Services. Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("**Monitoring Services**"). Flock will use commercially reasonable efforts to respond to requests for support. Flock will provide Agency with reasonable technical and on-site support and maintenance services ("**On-Site Services**") in-person or by email at support@flocksafety.com, at no additional cost. Notwithstanding anything to the contrary, Agency is solely responsible for installation of Falcon Flex products. Agency further understands and agrees that Flock will not provide monitoring services or on-site services for Falcon Flex.

2.11 **Special Terms.** From time to time, Flock may offer certain Special Terms related to guarantees, service and support which are indicated in the proposal and on the Order Form and will become part of this Agreement, upon Agency's prior written consent. To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

2.12 **Upgrades to Platform.** Flock may, in its sole discretion, make any upgrades to system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock's products or services to its agencies, (b) the competitive strength of, or market for, Flock's products or services, (c) such platform or system's cost efficiency or performance, or (ii) to comply with applicable law. Parties understand that such upgrades are necessary from time to time and will not materially change any terms or conditions within this Agreement.

3. RESTRICTIONS AND RESPONSIBILITIES

3.1 **Agency Obligations.** Flock will assist Agency Authorized End Users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person's name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency will not share its account or password with anyone and must protect the security of its account and password. Unless otherwise stated and defined in this Agreement, Agency may not designate Authorized End Users for persons who are not officers, employees, or agents of Agency. Authorized End Users shall only use Agency-issued email addresses for the creation of their User ID. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

3.2 **Agency Representations and Warranties.** Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

4. CONFIDENTIALITY; AGENCY DATA

4.1 **Confidentiality.** To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the "**Receiving Party**") understands that the other Party (the "**Disclosing Party**") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "**Proprietary Information**" of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Flock Hardware or Agency Hardware, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors. The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event will a Party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. Flock's use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, or to analyze the data collected to identify motion or other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third Party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third Parties, if legally

flock safety

required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third Party, or the public as required or permitted by law, including respond to an emergency situation. Flock may store deleted Footage in order to comply with certain legal obligations, but such retained Footage will not be retrievable without a valid court order.

4.2 Agency Data. As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to (i) use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.10 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Data as a part of the Aggregated Data, (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring for elected law enforcement Hotlists as well as provide Footage search access to law enforcement for investigative purposes only, and (iii) and obtain Aggregated Data as set forth below in Section 4.4. As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion. Notwithstanding the foregoing, Flock automatically deletes Wing Replay after seven (7) days, during which time Agency may view, save and/or transmit such data to the relevant government agency prior to deletion. Flock does not own and shall not sell Agency Data.

4.3 Agency Generated Data in Wing Suite. Parties understand that Flock does not own any right, title, or interest to third-party video integrated into the Wing Suite. Flock may provide Agency with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available on or submit through the Wing Suite, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Agency. Agency shall retain whatever legally cognizable right, title, and interest that Agency has in Agency Generated Data. Agency understands and acknowledges that Flock has no obligation to monitor or enforce Agency's intellectual property rights to Agency Generated Data. To the extent legally permissible, Agency grants Flock a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify, display, and distribute the Agency Generated Data for the sole purpose of providing Flock Services. Flock does not own and shall not sell Agency Generated Data.

4.4 Feedback. If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

4.5 Aggregated Data. Flock shall have the right to collect, analyze, and anonymize Agency Data and Agency Generated Data to create Aggregated Data to use and perform the Services and related systems and technologies, including the training of machine learning algorithms. Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right (during and after the Term hereof) to use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts. Parties understand that the aforementioned license is required for continuity of Services. No rights or licenses are granted except as expressly set forth herein. Flock does not sell Aggregated Data.

5. PAYMENT OF FEES

5.1.1 Wing Suite Fees. For Wing Suite products, the Agency will pay Flock the first Usage Fee and the Implementation Fee (as described on the Order Form attached hereto) as set forth on the Order Form on or before the 30th day following the Effective Date of this Agreement. Flock shall have no liability resulting from any delay by the Agency in installing the Embedded Software on the Agency Hardware. If applicable, Agency shall pay the ongoing Usage Fees set forth on the Order Form with such Usage Fees due and payable thirty (30) days in advance of each payment period.

5.1.2 **Falcon Fees.** For Falcon products during the Term (as defined in Section 6.1), Agency will pay Flock fifty percent (50%) of the Usage Fee, the Implementation Fee as set forth on the Order Form on or before the 30th day following receipt of initial invoice after Effective Date. Upon commencement of installation, Flock will issue an invoice for twenty-five percent (25%) of total fees, and Agency shall pay on or before 30th day following receipt of invoice. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency shall pay on or before 30th day following receipt of final invoice. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For a Renewal Term, as defined below, Agency shall pay the entire invoice on or before the 30th day following receipt of invoice.

5.2 **Notice of Changes to Fees.** Flock reserves the right to change the fees or applicable charges and to institute new charges and fees on subsequent terms by providing sixty (60) days' notice prior to the end of such Initial Term or Renewal Term (as applicable) to Agency (which may be sent by email).

5.3 **Invoicing, Late Fees; Taxes.** Flock may choose to bill through an invoice, in which case, full payment for invoices must be received by Flock thirty (30) days after the receipt of invoice. If Agency is a non-tax-exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock's net income. If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

6. TERM AND TERMINATION

6.1 **Term.** The initial term of this Agreement shall be for the period of time set forth on the Order Form (the "**Term**"). Following the Initial Term, unless otherwise indicated on the Order Form, this Agreement may be renewed by Agency for successive renewal terms for the greater of one year or the length set forth on the Order Form (each, a "Renewal Term", and together with the Initial Term, the "Service Term") upon written notice of renewal prior to the end of the then-current term.

- a. For Wing Suite products: the Term shall commence upon execution of this Agreement and continue for one (1) year, after which, the Term may be extended by mutual consent of the Parties, unless terminated by either Party.
- b. For Falcon and Sparrow products: the Term shall commence upon first installation and validation of Flock Hardware.
- c. For Raven products: the Term shall commence upon first installation and validation of Flock Hardware.
- d. For Falcon Flex products: the Term shall commence upon execution of this Agreement.

6.2 **Termination for Convenience.** At any time during the agreed upon Term, either Party may terminate this Agreement for convenience. Termination for convenience of the Agreement by the Agency will be effective immediately. Termination for convenience by Agency will result in a one-time removal fee of \$500 per Flock Hardware. Termination for convenience by Flock will not result in any removal fees. Upon termination for convenience, a refund will be provided for Flock Hardware, prorated for any fees for the remaining Term length set forth previously. Wing Suite products are not subject to refund for early termination. Flock will provide advanced written notice and remove all Flock Hardware at Flock's own convenience, within a commercially reasonable period of time upon termination.

6.3 **Termination.** Notwithstanding the termination provisions in Section 2.5.2, in the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty (30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period. Either Party may terminate this Agreement, without notice, (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party's making an assignment for the benefit of creditors,

or (iii) upon the other Party's dissolution or ceasing to do business. Upon termination for Flock's material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

6.4 No-Fee Term. Flock will provide Agency with complimentary access to Hotlist alerts, as further described in Section 4.2 ("**No-Fee Term**"). In the event a Non-Agency End User grants Agency access to Footage and/or notifications from a Non-Agency End User, Agency will have access to Non-Agency End User Footage and/or notifications until deletion, subject to a thirty (30) day retention policy for all products except Wing Replay, which is subject to a seven (7) day retention policy. Flock may, in their sole discretion, provide access or immediately terminate the No-Fee Term. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine to impose a price per No-Fee Term upon thirty (30) days' notice to Agency. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.5 Survival. The following Sections will survive termination: 2.5, 2.6, 3, 4, 5, 6.4, 7.3, 7.4, 8.1, 8.2, 8.3, 8.4, 9.1 and 9.6.

7. REMEDY; WARRANTY AND DISCLAIMER

7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a "**Defect**"), Agency must notify Flock's technical support as described in Section 2.10 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Flock Hardware provided that such inspection and test shall occur within a commercially reasonable time, but no longer than seven (7) business days after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Flock Hardware at no additional cost to Agency. Absent a Defect, in the event that Flock Hardware is lost, stolen, or damaged, Agency may request that Flock replace the Flock Hardware at a fee according to the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Flock Hardware, however, Agency understands and agrees that functionality, including Footage, will be materially affected due to such subsequently lost, damaged or stolen Flock Hardware and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Flock Hardware or Agency Hardware.

7.2 Exclusions. Flock will not provide the remedy described in Section 7.1 if Agency has misused the Flock Hardware, Agency Hardware, or Service in any manner.

7.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 9.6.

7.5 Insurance. Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock's business risk. Certificates of Insurance can be provided upon request.

7.6 Force Majeure. Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-Party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, weather conditions or acts of hackers, internet service providers or any other third Party acts or omissions. Force Majeure includes the novel coronavirus Covid-19 pandemic, and the potential spread of variants, which is ongoing as of the date of the execution of this Agreement.

8. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 9.6.

8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.4 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.4 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complementary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this Agreement.

8.3 Responsibility. Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees.

8.4 Indemnity. To the extent permitted by the laws of the State of Michigan, Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an alleged violation of Section 3.1, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third Party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.1 or this Agreement.

9. MISCELLANEOUS

9.1 Compliance With Laws. The Agency agrees to comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any

subpoena request(s). In the event Flock is legally compelled to comply with a judicial order, subpoena, or government mandate, to disclose Agency Data or Agency Generated Data, Flock will provide Agency with notice.

9.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

9.3 Assignment. This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchase of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction provided the assignee is capable of providing at least the same level of services as Flock.

9.4 Entire Agreement. This Agreement, together with the Order Form(s), the then-current Reinstall policy (<https://www.flocksafety.com/reinstall-fee-schedule>), Deployment Plan(s), and any attached addenda are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail.

9.5 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever. Flock shall at all times be and act as an independent contractor.

9.6 Governing Law; Venue. This Agreement shall be governed by the laws of the State in which the Agency is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

9.7 **Publicity.** Upon prior consent from Agency, Flock has the right to reference and use Agency' s name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock' s website.

9.8 **Export.** Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in Federal Acquisition Regulation ("FAR"), section 2.101, the Services, the Flock Hardware and Documentation are "commercial items" and according to the Department of Defense Federal Acquisition Regulation ("DFAR") section 252.2277014(a)(1) and are deemed to be "commercial computer software" and "commercial computer software documentation." Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

9.9 **Headings.** The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

9.10 **Authority.** Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing.

9.11 **Notices.** All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.
